About
Kochi-Omachi_Wi-Fi

Convenient access to high-speed internet.

Available to everyone, free of charge.

Available in city center shopping
arcades and elsewhere.

You can use the service in the areas
shown on the map shown overleaf.

Through secure OpenRoaming,
you can use the service worry-free.

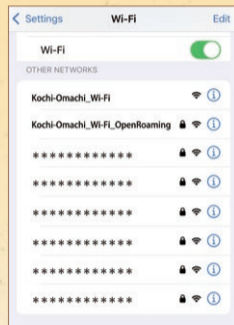

Set up the connection once, and after that you will automatically
connect to the secure, encrypted wireless network.

Please see overleaf for instructions on how to connect.

How to use Kochi-Omachi_Wi-Fi

STEP 1

On your Wi-Fi Settings screen, turn Wi-Fi on, then select "Kochi-Omachi_Wi-Fi" from the SSID list.

STEP 2

Select the type of Free Wi-Fi you wish to use.

To connect to Free Wi-Fi **immediately**

Use **Social media/Email authentication**

**Input required every time you use it.*

To connect to Free Wi-Fi **securely**

Use **OpenRoaming authentication**

**Input unnecessary after first-time setup.*

Follow the instructions on the screen for the authentication method you selected.

What is OpenRoaming?

*You will need to follow the instructions on your screen and install the profile.

Connect Automatically

By completing setup just once*, you can connect to OpenRoaming hotspots nationwide and internationally.

High-Security

The service offers a safe connection through EAP authentication issued individually to each connecting device.
